

F S E R I E S

ELECTRICAL SPECIFICATIONS:

Voltage rating:

AC 150V

Withstanding voltage:

AC 500V one minute

Insulation resistance:

500M Ω min at DC 5000V

Contact resistance:

5m Ω at DC 1A

Impedance:

75 Ω nominal

VSWR:

1.2max.0-1, 500MHz

F series are economically priced connectors specially designed for use with NTSC TV ANTENNA and other similar applications.

Countries Using the NTSC System include:

The Bahama islands

Canada, Central America, Japan, Korea,

Mexico, Taiwan, The Phillipines,

the U.S.A., etc...
